

The Satellite Interview

-Well,first time for you to sit on your fat ass in New York and interview a big shot in Australia. Went smashing,I thought.

-I didn't understand a fuckin thing he said.

-Well,the accent...

-No. Not that. The words! Mishmosh!

-Well! And yet you could summarize it. And did!

-I made it up! God help me I'm fiction!

-Well,we make it up in the News Division. Otherwise there might not be any.
